SUMMARY

Total Cash Received \$4,602.25

Total Uncollected \$4,313.81

Net Position \$288.44

Uncollected items were supplied by the office. Insured names are filled in where the policy number matches the Doral book: 979651509 and 864189944 are both Claudia Ruiz Lopez, 867943703 is Guillermo Fayas Rodriguez (whose \$1,794.00 renewal premium appears on the June Progressive statement for the same amount), and P020077622807 is Moises D Carrillo.

Shaded rows need checking. The June 9 National General item has no policy number. Policy 9615185828 is ten digits where Progressive uses nine, and matches nothing in the book. Policy 876976565 is listed as Pearl Holding but is in Progressive's number format and is not in the book either — Pearl policies begin with a P. Amounts are carried exactly as supplied.

Note on periods. Five of the eight uncollected items fall in July 2026 and one on June 9, so they sit outside the June commission statement period. They do not change the June commission statements, whose Cash Payments Owed line of \$589.00 is a separate figure.
